Students Gathered Together For Prayer ...

On Friday, September 30th, students and faculty gathered together for prayer around the CCS Flagpole. See You at the Pole™ is a global day of student prayer that encourages believers to join together and pray for our nation and our world. The 2011 theme verse is a promise from God's Word, "For where two or three are gathered together in my name, there am I in the midst of them." Hunter Gehman, the CCS Student Body Chaplain, led the group in prayer sharing Matthew 18:20 as a truth from the Scriptures. Several students and teachers asked for God's blessing on our nation and its leaders, while

others prayed for our school, our students and their families, and our faculty and staff. Many asked that the Lord allow CCS to be a light in our community as we stand firm for the truth of God's Word. Let's remember to continue in prayer throughout this school year, trusting the Lord to give each of us a blameless testimony and the opportunity to share His love with those around us who are lost.
